PROJECTS

Project #1: New Product Accelerator(NPA)
Role: Project Lead -Quality
Project Highlights: New Product Accelerator (NPA) helps users to better understand their new product introduction programs and analyzes their bill of materials (BOM) and other parameters.
Types of testing performed: Manual testing & automation testing.

Project #2: New Product Accelerator(NPA)
Role: Staff Engineer QA
Project Highlights: New Product Accelerator (NPA) helps users to better understand their new product introduction programs and analyzes their bill of materials (BOM) and other parameters.
Types of testing performed: Manual testing & automation testing.

Project #3: Reporting Application
Role: Senior Software designer Engineer 1 - QA
Project Highlights: A Learning Management System (LMS) is "an information system that administers instructor-led and e-learning courses and keeps track of Employee progress. Used internally by large enterprises for their employees, an LMS can be used to monitor the effectiveness of the organization's

education and training.
Types of testing performed: Manual testing & Automation testing.

Project #4: Learning Management System
Role: QA Engineer
Project Highlights: A Learning Management System (LMS) is "an information system that administrators, instructor-led and e-learning courses and keeps track of Employee progress. Used internally by large enterprises for their employees, an LMS can be used to monitor the effectiveness of the organization's education and training.

SKILLS

Languages	:	C, Core Java.
Testing Tools	:	Selenium Webdriver, REST Api & Manual Testing.
RDBMS	:	Sql Server 2008 and Oracle 11g.
Defect/Bug tracking Tools	:	JIRA V8.
Web Debugging Tool	:	WebDriver Element, Firebug, Fire path, Xpath.
IDEs	:	IntelliJ , Eclipse, Visual Studio 2019

STRENGTHS

- Client Interaction.
- Experience in documenting the functionality with respect to the requirements.
- Determination and Dedication to achieve target.
- Self motivated, Confident, Creative, Effective team player.

ACADEMICS

- Master of Computer applications from AndraUniverity, Visakhapatnam in the year 2012 with an aggregate of 71%.
- Bachelor of Science from Govt. Degree College, Salur in the year 2009 with an aggregate of 73.5%.

PERSONAL DETAILS

Permanent Address	:	S/o Ramu, Bonu Street, salur, pin: 535591
Date of Birth	:	08/08/1989.
Languages Known	:	English, Telugu, and Hindi.
Nationality	:	Indian
Marital Status	:	Married

DECLARATION

I hereby declare that the above- mentioned information is correct up to my Knowledge and I bear the responsibility for the correctness of the above- mentioned particulars.
